

Your gift makes life more enjoyable

Who lives at The Lodge at Broadmead?

The majority of our residents are men, many of them Veterans who have courageously served our country in times of war and as peacekeepers. Most are over 85 years old, and they live with challenges such as physical disability, multiple medical conditions or cognitive impairment - many are totally dependent on their caregivers for activities of daily living.

Please help.

Your gift to the Broadmead Care Foundation is the gift of a better life for those who so richly deserve it. We issue tax receipts for all donations, and copies of our annual reports and financial information are available at the Foundation office.

Thank you for your support.

Broadmead Care Foundation

The Broadmead Care Foundation supports the work of The Lodge at Broadmead, an accredited extended care facility that is home to 225 Veterans and seniors.

We also support the Veterans Health Centre, which provides day programming, geriatric assessments and respite services for 160 Veterans a week.

To find out more about The Lodge, the Veterans Health Centre, or the Foundation, call 250-658-3220 or visit www.broadmeadcare.com.

Your gift makes
every life better.

BROADMEAD
Care Foundation

*Excellence in Care for
Veterans and Seniors*

We invite your gifts

The Broadmead Care Foundation supports Broadmead Care Society in its commitment to aspire to excellence in care for Veterans and seniors. We rely on the generosity of our donors to help us provide the quality of life and services these Veterans and seniors deserve.

The Broadmead Care Foundation is a registered charity governed by a volunteer Board of Directors and is dedicated exclusively to accepting and raising funds to support the priorities of Broadmead Care Society. While Broadmead Care Society receives funding from Vancouver Island Health Authority, this support only covers basic care.

The Foundation focuses on three areas to benefit residents and support the delivery of optimal care:

- Equipment and furnishings to enhance safety and comfort
- Programs to provide holistic care and enhance quality of life
- Capital projects that provide home like living environments

The benefits of donations and the spirit of philanthropy is evident throughout The Lodge at Broadmead and the Veterans Health Centre.

Equipment & Furnishings

Your gift makes life safer and more comfortable.

Residents at The Lodge at Broadmead rely on all kinds of equipment to make their lives safer and more comfortable, from electric beds and specialty mattresses to monitoring equipment and advanced medical technology.

Because government funding covers only a fraction of the cost, we rely on gifts from generous donors to purchase this vital equipment. Your gift to the Broadmead Care Foundation helps keep people safe and comfortable and allows them to live with dignity and independence as their needs change.

Quality of Life Programs

Your gift enriches lives.

Everyone deserves to enjoy life to the fullest extent possible every day. That's why we provide such a variety of quality-of-life and wellness programs at The Lodge at Broadmead. These programs, funded through donations to the Broadmead Care Foundation, include music, recreation and a horticultural program. Each has been designed to enhance social, family, cultural engagement and a sense of purpose. Your gift brings joy, peace and laughter to our residents' lives.

Major Projects

Your gift makes a big difference.

To provide the very best in care and meet the changing needs of the residents, we often must embark on costly renovation, improvement and expansion projects, which receive limited, if any, government funding. To carry out these much needed improvements, we rely on donations from people like you. Right now, we are working on three major projects that need your help:

- An expanded Veterans Health Centre
- Renovations to upgrade our Tub Rooms used for resident bathing
- Renovations to update and improve residents' dining rooms

Yes! I would like to make life better for the Veterans and Seniors.

I would like to donate (amount) \$ _____

Please use my gift for:

- Area of greatest need
- Equipment & Furnishings
- Quality of Life programs
