# Spiritual Care Services

Committed to your wellbeing

## WHAT IS SPIRITUAL CARE?

At some point, especially in times of change, loss, grief or distress, we all face questions of meaning and hope.

Broadmead Care's Spiritual Care Coordinator is here to offer a listening ear, pastoral presence, comfort, sacraments, rituals, and prayers, when requested.

We acknowledge the diversity of faiths and spiritual backgrounds in our community, and we wish to provide the support and resources you might need.

Chaplain Francis Welch works in collaboration with social workers and other health professionals at Broadmead Care, as well as local faith leaders.

## WHO AND WHAT IS IT FOR?

Spiritual Care is intended to support the spiritual wellbeing for everyone including: residents, their families, veterans, staff, and volunteers.

- Provides counselling and support if needed.
- Resources for spiritual, religious or grief.
- Assist to contact community clergy and religious leaders.

## WEEKLY WORSHIP

In the Oak Room.

- A variety of local church volunteers, clergy, and our Chaplain host services and Bible studies, with opportunities to sing, pray, and worship together.

Schedules are posted in the lodges on the bulletin boards.

## ALL ARE WELCOME

You don't have to be affiliated with any church or religion to benefit from spiritual care.

## MEMORIAL GATHERINGS

Every four months, we have a Celebration of Life memorial service to remember and honour the residents who have recently passed away, and whose families wish to have them included.

More information is available from Chaplain Francis Welch.

## REMEMBRANCE DAY

Every November 11, we observe Remembrance Day in the Veterans Chapel in the Oak Room, led by Chaplain Francis Welch.
